The bill to defer the time for the
payment of taxes has passed the Senate,
not the House. It is believed it
will become a law.

The bill to reduce the salaries of the
Supreme Judges has passed both
Houses of the Legislature, and will
become a law, but it can not go into
effect for nearly eight years to come.

The "family fight" in the House
of Representatives on Wednesday, on
the Southern claims question, between
Bragg, of Wisconsin, and Ellis, of
Louisiana, both Democrats was a
lively affair.

INDICATIONS: For the Gulf States,
Tennessee and the Ohio Valley—
partly cloudy, northerly winds, shifting
to easterly and southerly, and during
Friday falling barometer and rising
temperature.

HON. M. D. BEARDEN writes a note
to explain a misunderstanding about his
bill in relation to the Kingston
turnpike. He proposes to repeal an
amendment and not annul the charter
as he is reported by the papers.

SENATOR BAILEY is a strong advocate
of an honest settlement of the
State debt. His term expires in
March, 1881. The next Legislature
will elect his successor. Gov. Marks
is just the opposite of Senator Bailey
on the State debt question. It is
thought by some that he has an eye to
Bailey's seat. Hence the difference.
Don't you see the "pint"?

It is with pleasure that we note a
large number of leading Democrats in
the State who are heart and soul
against repudiation. They are to be
found in both Houses of the Legislature
and all over the State. The sentiment
of the party in this part of the
State is overwhelming in favor of an
honest settlement of the debt. A
number of leading Democratic newspapers
have taken advanced grounds
on this subject. The Nashville American,
Knoxville Tribune, Chattanooga Times,
Gallatin Examiner and Athens Post
are all fast friends of State
credit. This is all right. This question
ought not to be a partisan one. There
is no reason why Democrats, as well
as Republicans, should not fight repudiation,
and they are doing it. It is
true that they suffered themselves
misrepresented in their platform
adopted last August, but that is no
reason why they should continue to
be misrepresented. It will take all
the efforts of the combined forces who
favor honesty in our State government
to defeat repudiation. We trust,
however, that it may yet be done.

Final Passage of the Consular and
Diplomatic Appropriation Bill.

Ex-President Grant and Family Em-
bark for India.

XLV CONGRESS.

SENATE.

WASHINGTON, Jan. 23.

Messrs. Windom, Allison and
Withers were appointed a Conference
Committee on the part of the
Senate on the Indian appropriation
bill.

Mr. Matthews, of Ohio, introduced
a bill to grant to the American
Ocean Cable and Telegraph
Landwire Association of Philadelphia,
the right of way and privilege
to lay land and operate submarine
telegraph cables on the Atlantic and
Pacific coast of the United States,
and to establish telegraph communication
between the United States,
Europe and Asia. Referred to the
Committee on Foreign Relations.

Mr. Windom, of Minnesota, from
the Conference Committee on the
Consular and Diplomatic Appropriation
bill, submitted a report, which
was agreed to and the bill passed.
It now goes to the President for his
signature.

In explanation of the report Mr.
Windom said the amendments of
the Senate were all agreed to in the
conference, with the amendments
striking out the appropriation of
twenty thousand dollars for charge
de affaires ad interim and diplomatic
officers abroad, and twenty
thousand dollars for the diplomatic
and consular service, to be expended
at the discretion of the President.
The total amount appropriated by
the bill as passed is \$1,087,835, or
\$10,200 more than the bill for the
present fiscal year.

The bill for taking the tenth census
was reported, and will come up
for consideration Tuesday next.

A favorable report was submitted
from the Committee on Education
and Labor on the bill to promote
the Education of the Blind. It appropriates
\$225,000 as a perpetual
fund to aid in the education of the
blind in the United States, through
the American Printing House for the
Blind.

The bill to Amend the Patent
Laws was resumed, the pending
question being on the motion of
Mr. Edmunds, submitted yesterday,
to lay it aside and take up the resolution
declaring the validity of the
Thirteenth, Fourteenth and Fifteenth
amendments to the Constitution,
by the vote of the Senate last night,
that a majority was adverse to considering
his resolutions. It was
useless to waste the time of the
Senate, and therefore he withdrew
his motion to take them up.

The Senate then considered and
subsequently passed the bill to
amend the patent laws. The Army
Reorganization bill will come up to-
morrow.

HOUSE.

The House has agreed to the
Conference Committee's report on the
Consular and Diplomatic Appropriation
bill. It leaves the bill
almost identical with the law of last
session.

The Postoffice Appropriation bill
has been reported from the Committee
on Appropriations.

The bill was discussed at considerable
length, being earnestly supported
by Messrs. Goode, of Virginia,
Bell, of Georgia, Loring, of
Massachusetts, Monroe, of Ohio,
Cain, of South Carolina, and others,
and opposed by Messrs. Dummell,
Patterson, Southard and Townsend.
No action.

The House is in session to-night
on the bill to regulate the postage
on third-class mail matter.

WASHINGTON.

WASHINGTON, Jan. 23.—Immediately
upon the assembling of the
Potter Committee, Mr. Butler rose
to a personal explanation, and read
a statement from the Washington
Post to the effect that the cipher
dispatches were in his possession all
last summer, and that at one time
he missed them from his desk. He
said if he made a statement such as
that he must have been drunk or
insane. (Laughter.) But on the
contrary, what he did say was to
show the impossibility that the dispatches
printed in the Tribune
came from him, and in this statement
he was borne out by another member
of the committee, Mr. Hiseock.

"Yes, I had good reason to believe
that the telegrams were copied for
the Tribune before they came into
your hands."

The President nominated Joseph
H. Sloss, to be United States Marshal
for Alabama.

The Senate Committee on Post-
offices and Postroads authorized
their Chairman to offer as amend-
ments to the Postoffice bill, all the
postal legislation, which was added
to the House post route bill by the
Senate last session, except the Brazilian
subsidy clauses. These legisla-
tive provisions relate to the
classification of mail matter, com-
pensation of railroads, and the
franking privilege.

The Senate confirmed the follow-
ing nominations: North Carolina,
J. D. White, Greenboro; Wiley A.
Walker, Winston. South Carolina,
Jas. H. Goss, Union Court House;
Alonso Webster, Orangeburg; R.
W. Boone, Newberry Court House.
Georgia, Frederick Ball, Lagrange.
Alabama, Mrs. M. E. Henry, De-
catur. Mississippi, Robert Stewart,
Mocon; John B. Deadson, Brook-
haven; Frank M. Goor, Tupelo.
Texas, C. B. Sabin, Galveston; A.
G. Wilcox, Rockdale; August B.
Halm, Round Rock; Chas. H.
Clifford, Hearne; Chas. Krick-
barger, Bonham; A. B. Norton,
Dallas.

THE EAST.

PARIS, Jan. 23.—A telegram
from the Governor of the French
colony of New Caledonia, says that
movable columns of troops had
cooped up the insurgents on the
shore of Cape Goulvain, which they
captured after a warm engagement,
in which a sub-Lieutenant and a
private were killed.

TIROVA, Jan. 23.—While Prince
Alexander, of Battenberg, is the
choice of the younger members of
the Bulgarian Assembly, which is to
elect the ruler of Bulgaria, the
older leaders favor Prince Henri,
of Reuss, formerly German Ambassa-
dor to Constantinople.

FLORIDA.

JACKSONVILLE, Jan. 23.—In the
Circuit Court to-day Judge Settle
sanctioned the Brevard county
Canvassing Board, convicted of
making a false return of election.
Lee, the County Clerk, was sen-
tenced to three years, and Wright
and Johns, Sheriff and Justice, re-
spectively to one year each in the
Albany penitentiary. Lee is also State
Senator from Brevard county. All
the other election cases were con-
tinued to the May term of the court.

OHIO.

CINCINNATI, Jan. 23.—Governor
McCreary has ordered the return
of the cavalry company sent to
Braithett county. They accom-
plished the arrest of William Fletcher,
who murdered Judge Burnett.

A freight train on the Detroit,
Lansing and Northern Railroad,
was derailed near Detroit, killing
Chas. Reed, a brakeman, and break-
ing the ribs of Conductor Richard
Bare. A broken rail caused the
accident.

THE INDIANS.

FORT ROBINSON, Jan. 23.—Mid-
night—Later news from the field
states that only nine Cheyennes, all
of them wounded, were captured.
The balance of the party, twenty-
three in number, were killed.
Seventeen still unaccounted for are
supposed by some to be dead from
wounds. The others escaped.

NEW YORK.

NEW YORK, Jan. 23.—In the trial
of Col. Kiett's suit for libel against
the New York Times, to-day, Mr.
Choate, for the defense, contended
that the article did not refer to the
plaintiff, but to one Thomas Kiett,
also known as Colonel Kiett.

MINOR DISPATCHES

NIAGARA FALLS, Jan. 23.—The
Vice Royal party spent yesterday
visiting the scenery about the falls
at Ft. Island. Her Royal Highness
set foot on American soil for the
first time. The party then went to
Prospect Park, which was beauti-
fully decorated with flags and
arches, and descended an inclined
plane to the ice mound below the
American falls. They then crossed
the ice bridge to the Canadian side.

PARIS, Jan. 23.—Rentes rose in
price to-day upon the rumor that
an interpellation would be addressed
to Leon Say, Minister of Finance
in the Chamber of Deputies, in re-
gard to the conversion of the five
per cent. rentes, and that he would
reply that he considered such con-
version inopportune in the present
circumstances.

GREAT BRITAIN.

LONDON, Jan. 23.—Severe cold
weather prevails. Much suffering
and destitution is reported in all
parts of Great Britain.

A Lloyds dispatch from Antwerp,
dated yesterday, says the ice in the
roads and river has considerably in-
creased since yesterday. A boat
coming in was capsized and eight
men drowned.

A dispatch to the Lloyds from
Helsingland, dated to-day, says the
Elbe is blocked with ice, and steam-
ers are unable to force an entrance.

The Captain of a ship which re-
cently arrived at Queenstown writes
to the Lloyds that he saw fifty miles
west of Fastnet, on the 16th inst., a
steamer alongside of a burning
wreck. The steamer ordered him
to keep on his course and say nothing
about the affair under the penalty
of being also burned. The
steamer had not the appearance of
being a merchantman or man-of-
war. She had 150 or 200 men on
board, apparently English.

MARSAILES, Jan. 23.—Ex-
President Grant and family em-
barked to-day on board the French
mail steamer Labourennais for In-
dia.
